The 6th annual Wisconsin Maritime Museum Commodore's Ball on Saturday, October 25, 2008, will be a new and unique event. The entire Museum will open to guests for a *"Passport to the World."*

This year's guest of honor is Terry Growcock, Chairman of the Board of The Manitowoc Company. Terry and the Museum Trustees will greet guests at the many "Ports of Call" throughout the Museum.

This is the "not-to-be-missed" event on the lakeshore and your sponsorship entitles you to a full evening's enjoyment. A variety of international cuisine presented by local caterers, unlimited hors d'oeuvres and complimentary wine will be yours to enjoy. Your sponsorship comes with a number of tickets.

Your company or family can be part of this exclusive event. Please take a moment to review the many sponsor opportunities, including the new VIP Salon in the Museum's Third Floor Concourse and Roof Deck.

In the past five years, generous sponsors and attendees have raised more than \$100,000 to support the Museum's award-winning education programs and valuable collections. With your generous support, the Museum will continue to collect and preserve our maritime heritage and provide acclaimed education programs.

I can answer any questions you may have about this event and sponsorship. Please call me at 920-684-0218 x 117 (toll free at 866-724-2356) or contact me at bnovak@wisconsinmaritime.org.
